LIGHT FARE

Snoopy Snack –Happy Thanksgiving, y'all! (wink-wink) Enjoy a 'charcuterie' of butter-garlic-herbed crostini, pretzels, popcorn, and jellybeans. Charlie Brown had no idea how to host Thanksgiving. He did his best... and you will, too, this holiday season! 6

Pretzel Bites – Linus, to Charlie Brown's amazement, the only one that could untie a pretzel; or, can you? Test your skill; order some. Comes with beer cheese dip. 8

Raspberry Baked Brie – Snoopy, a very adventurous and imaginative pup, loves to show off his new tricks, blowing a raspberry for a triumphant win over pretty much anything – even the sprinkler. And we're sure this baked brie in puff pastry with raspberry jam will prove victorious to your palate. 5

Pigs in a Blanket – Like Linus' security blanket, grab yourself a bit of comfort...food that is, with cocktail wieners individually wrapped up in a blanket of pastry dough. 9

Sweet Potato Sausage Balls – Happiness is...sweet potatoes. No seriously, they're full of Vitamin B6, which reduces stress, and goodness knows the holidays bring it. Be happy! Enjoy Chef Peele's signature creation only served during this holiday season. It's a sausage ball like none you've ever had. Served with cranberry dipping sauce. 12

Jalapeno Crab Balls – Lucy was proud of being crabby. She came by it honestly; it was in her genes. Well crabbing is in ours, and we're proud of this fried, bite-sized delectableness of local blue crab meat. Comes with remoulade. 15

Shrimp Toast – All Charlie Brown could make was cold cereal and toast. But toast doesn't have to be dry or boring, friends. We've elevated your toast game with local greentail shrimp spread and fried for warm center. 12

Grape, Spinach & Blue Cheese Flatbread with Balsamic Glaze – While it's not butternut bread, the Peanuts gang fave, this flatbread will be a crowd pleaser, finished with pickled red onions. 9

HANDHELD

Root Beer Pulled Pork Sandwich – Snoopy loved him some root beer, and you will love this sammie with root beer marinated North Carolina pork piled high atop a bun. Comes with French fries. 12

Prime Melt – Sally, “Hey Big Brother, I’m making our lunches...What kind of sandwich would you like?” Charlie Brown wished for roast beef but instead got his usual peanut butter. But we won’t let you down, and we’ll do you one better with slices of prime rib piled high on a ciabatta roll with sauteed onions and white cheddar cheese. Comes with au jus and French fries. 15

CHILD

Pepperoni Flatbread Pizza – Day after day, week after week, Snoopy ate the same thing. What’s that? PIZZA! Grab you a slice. 8

‘Snoopy’ Dog – A nod to our favorite beagle pup, enjoy an all-beef hotdog with fries. 6

SWEETS

Jumbo Chocolate Chip Cookie – Arguably Snoopy's favorite food and an obsession that stays on his mind, chocolate chip cookies are Snoopy's reason for living. A perfect complement to any meal. 3

Pumpkin Cake with Maple Cream-Cheese Icing – The best of friends, Snoopy and Woodstock head to his doghouse and share pumpkin pie to celebrate the holidays. Grab your bestie and share a slice of this pumpkin dessert with a creative twist. 8

Doughnut Bread Pudding with Salted Caramel Sauce – Snoopy, “I don’t think I really need this doughnut...on the other hand, doughnuts are good for you if you have shin splints...” Snoopy could talk himself into anything. Go ahead, talk yourself into eating ‘for your health’ (haha). 8
