Ol' Cedar Brown's

SHOOTERS

Li'l Red-Haired Girl - Just like Charlie Brown, you're gonna crush on this red cutie. But don't be shy about going near this sweetheart made with Jäger, peach schnapps, and cranberry juice. Shoot your shot. This will be a lasting love affair. 8

"Go Nuts" for Peanuts – We pay tribute to Charlie Brown and his Peanuts gang, a nod to their friendship and ability to laugh at the craziness of life, with this nutty pairing of Skrewball peanut butter whiskey and RumChata. 9.50

Good Grief – A saying coined by our very own Charlie Brown, we got the fix for the day when nothing really goes your way – a chilled shot of Cuervo gold tequila with salted rim and lime garnish paired with a steaming hot plate of French fries. In no time flat, we'll bring out in you Chuck's perseverance and determination. Keep trying to kick the football even though you miss! 10

*** Want those fries loaded? Add bacon and cheese and choose from sour cream or ranch dipper for \$4.50. ***

TOASTY & TIPSY

Ol' Cedar Brown – "Isn't there anyone who knows what Christmas is all about?" Sure, Charlie Brown, we can tell you (wink-wink): house-made hot cocoa topped with a jumbo, toasted marshmallow. 6  

For Santa's 'big' helpers, enjoy a special recipe where warmth and indulgence collide; Baileys Irish Cream, crème de cacao, caramel syrup, and velvety hot chocolate are a match made in heaven! 11 

FROZEN & SLUSHIE

Snoopy's Root Beer Float - It's a hard life, as told by our 'Dogstoevski,' so take advice from our four-legged friend; root beer is happiness – a root beer float is even better! Enjoy IBC root beer with vanilla ice cream float. 7  

Our favorite pup had another pearl of wisdom: "Unfortunately, it's very hard to forget anyone by drinking root beer," (ha-ha) so have a pint with Smirnoff vanilla vodka floater and vodka- and Bailey's-infused ice cream on top. 12

*Arguably Snoopy's favorite food and an obsession that stays on his mind, **chocolate chip cookies** are Snoopy's reason for living. Get a house-made, jumbo, chocolate chip cookie to complement your root beer float! 3*

Peanut-Colada - Our way of honoring Charlie Brown and his friends, who were just li'l tikes but strong in character, kind of like our signature frozen pina colada pint made with Bacardi silver rum, garnished with peanut brittle as a tribute to the Peanuts gang. 12.50

Red Baron – Snoopy swore that he'd get that man, so he asked the Great Pumpkin for a new battle plan. Fight on and fly on to the last drop....sloe gin, apricot brandy, and sweetened lime juice swirled in our slushie machine for a frozen treat that will evoke feelings of a Winter Wonderland. 11 

The Grinch – Nearly 75 years later, the Peanuts gang still brings joy and laughter to every holiday gathering, but no Christmas celebration is complete without the Grinch! This green, slushie, 'mocktail' of limeade and lemon-lime soda, with a hint of pineapple, reminds us that, just like the Grinch whose heart grew three sizes, the true magic of Christmas is not what's under the Christmas tree but who is around it. 7  

Ol' Cedar Brown's

Cocktails & Mocktails

Violet Gray - A drink to match her purple dress, and one that surely meets Violet's elevated social standards, with Empress indigo gin, lavender-lemon simple, and Nantucket Nectars squeezed lemonade finished with a splash of tonic. 12 ** Prefer a non-alcoholic 'mocktail'? Order a virgin for \$6.00. **

The Pig Pen - Embrace the delightful chaos with our Kraken Old Fashioned, a spirited twist on the classic cocktail that's as charmingly messy as the character himself. Bordeaux cherries muddled with chocolate bitters and Kraken spiced rum. An orange slice run around the rim adds the je ne sais quoi. 11

Beethoven's Fifth - An ode to Schroeder's idol, this drink will tickle the ivories, like him on his toy piano, and have you drifting off into a Moonlight Sonata. Lemon wedge muddled with blackberries and house-made simple, finished with PAMA pomegranate liqueur and D.O.M. benedictine & brandy liqueur. 13.50

It's a Dark and Stormy Night - Inspired by Snoopy's legendary literature debut in 1965, this cocktail embraces the sweetness and spice just like the tales of our favorite beagle author. The classic trifecta of Goslings dark rum, ginger beer, and lime with the complexity of aromatic bitters. 10.50 

Peppermint Patty - Like Patty sitting against the 'thinking tree,' this drink will have you envisaging life and love. And like our character, you will feel you can do just about anything...except study. Drink your dessert with a blend of Pinnacle whipped vodka, white crème de cacao, Rumple Minze, and cream, garnished with you guessed it - a York peppermint patty. 11 

Lucy's Prescription - The doctor is IN! Lucy isn't the only one that knows what ails you. Our twist on a painkiller is your ultimate remedy for holiday cheer with Captain Morgan spiced rum, coco lopez, OJ and cranberry juice finished with a sprinkling of cinnamon. 12  ** Prefer a non-alcoholic 'mocktail'? Order a virgin for \$6.00. **

Woodstock's Whimsy - Snoopy's sidekick and best friend, Woodstock is kind, caring, gentle, good and sweet, and so is this bellini. Toast to the holidays with peach schnapps and pineapple juice topped with La Marca prosecco. It will have you chirping with delight! Chirp! chirp! 9.50

Martinis

Linus' Blankie - "Happiness is a warm blanket on a cold night." Like Linus' security blanket, this drink is a necessity, a spiritual tourniquet, wrapping you up in the comfort of Smirnoff vanilla vodka, amaretto, and Kahlua, with a splash of cream, and chocolate syrup and coconut flake rim. 12

Charlie Brown - Good ol' Charlie Brown is loyal, determined, though a bit wishy-washy. But don't second-guess ordering this drink made with Courvoisier cognac, Drambuie, and white crème de cacao with orange twist. "What's the good of living if you don't try a few things?" We agree, Charlie Brown! 14

Snoopy Snack - Christmas shopping and errands worked up your appetite? Happy Thanksgiving, y'all! (wink-wink) Enjoy a 'charcuterie' of butter-garlic-herbed crostini, pretzels, popcorn, and jellybeans. Charlie Brown had no idea what to do, relying on a dog chef and bird assistant. He did his best... and you will, too, this holiday season! Recharge; add onto any specialty drink for \$6.00.

Served in souvenir 12-oz logo cup.

Denotes kid-friendly (non-alcoholic) drink.
